Ultra 250X**

The Brisbane Jet Skis Kawasaki Race Team have asserted their authority on the field at the 2008 QLD Watercross Titles at Redcliffe on 26-27 April, with riders, John Hollett and Joel Batt storming home with class wins on board the Kawasaki Ultra250X. Natalie Geurts also contributed to the team's success with a 2nd place overall in the Womens Ski class on board her Kawasaki 800 SX-R.

In picture perfect conditions, Brisbane Jet Skis Kawasaki Race Team rider, John Hollett, piloted his stock Ultra 250X to 4 fantastic race results with 3 wins and a 2nd place to claim victory in the Veterans Runabout class. John was very pleased with his results saying, "I'm extremely happy to come away with the win!

"The Veterans class is very competitive, however the Ultra 250X is a real racer's ski and I was able to come away with the class win. The Kawasaki has amazing power, aggressive turn speed and awesome hook up. I would like to thank Kawasaki for developing such a great ski and for their continued race support."

Joel Batt rode his Dealership prepared Ultra 250X to two 1st places, a 2nd and a 3rd, to win the Stock Runabout class. Joel was extremely happy with his win, saying, "I've worked hard for this and it feels great to win."

"The Ultra 250X holeshotted every race. We are trying some minor mods and our buoy to buoy speed is amazing. Everyone in the pits is talking about the Kawasaki Ultra 250X."

Natalie Geurts raced her Kawasaki 800 SX-R to three 2nds and a 3rd to take 2nd place overall in the Womens Ski class.

Natalie and the rest of the Brisbane Jet Skis Kawasaki Race Team will be out to win at the World Moto Surf Championships at Kingscliffe Beach this Sunday.
